

THE FIRST COUNTY SCHOOL FAIR HELD IN HOPKINS COUNTY

Was Unbounded Success---The Majority of The Schools in the County Were Represented and Hundreds of School Children Were Present

The first County School Fair ever held in this county took place in Madisonville last Friday and practically every school in the county was well represented. It is estimated there were 2,000 school children and teachers in the parade and about 5,000 including all visitors in Madisonville on this occasion. The parade was formed at the West Broadway building and marched two abreast to Main street and turned north going down the east side of main with banner flying and badges fluttering in the wind. They marched the entire length of Main street returning on the west side and the head of the column had made the round and reached the court house before the rear left West Broadway thus making the parade over a mile in length. Such a gathering was never before seen in Madisonville and it doubtless marks a new era along educational lines in this county. The amount of enthusiasm displayed by both teachers and pupils in preparing for this school fair was equal to that evidenced by the preparations for the school fair held in Earlinton in Dec. 1913, which was the first school fair ever held in the county. Prof. C. E. Dudley principal and Paul M. Moore chairman of the Board of Education were wholly responsible for the first school fair, and their lead was handsomely followed up this year when the county fair was held in Madisonville. After the parade Friday the crowd assembled in the court house square and were addressed by the Hon. D. H. Kincheloe who said, among other things that the crowd before him thoroughly convinced him that "Roosevelt's theory of race suicide was smashed into smithereens." In the afternoon the West Broadway building was thrown open to the public, where the exhibits of the different schools were displayed. The crowd at this building was so dense it was almost impossible to view the display with any degree of satisfaction until late in the afternoon. The display of the various schools was indeed commendable and proved that the teachers and pupils had put forth their best efforts in anticipation of this fair. County Sup't. Lem Ray, deserves great credit for the success of the fair and was ably seconded by the various teachers of the town and country schools. The benefit of this gathering to the cause of education in this county should be lasting, as every school represented went back home filled with a greater zeal for the cause and a determination to get better results in the future. Earlinton school carried off one-fifth of the prizes offered, two of these being general prizes, one of which was the Library prize of 25 volumes, given for the greatest number in attendance based on mileage and the other Domestic Science Display, \$3.00 cash.

Following is a list of grades and names of pupils receiving prizes from the Earlinton school:

Maj. F. B. Harris Greatly Honored

New honors worthily bestowed have come to Maj. F. B. Harris, a well known and highly respected citizen of Madisonville. His title hereafter is to be General Harris, commander of the Second Brigade, Confederate Veterans of Kentucky, which embraces all the territory of the State west of and including Owensboro and Russellville.

The honors that have come to Maj. Harris have not been bestowed as a matter of favoritism, but because they have been justly earned and now in his older days he finds himself the recipient of honors—that while greatly prized, in no way turn the head upon which has been placed the wreath of laurel that so fittingly adorns the one on whom and to whom honors have come as reward for duty well performed.

Notice to the Public

I am a candidate in the Great Perry Pony contest now being conducted by the following business men of Madisonville. Coffman & Seale Drug store, F. N. Fugate Jeweler & Millinery, Ruby Lumber Co., J. B. Armstrong Taylor, Princeess & Garrick Theatre, R. E. Moore Hardware, Exchange Roller Mills, The Grand Leader dry goods, Pritchett Brothers Grocery and Heltzley & Thomas meat market, and as I am a little country school girl and have no opportunity to make a personal canvass, I take this method of soliciting your votes when you trade at any of the above places. Votes are issued at the rate of 100 for \$1.00 or one vote for each cent. Please save your coupons for me or write my name on them and deposit them in one of the ballot boxes in Madisonville. I certainly will appreciate anything you may do for me in this contest. Yours truly, Ruth Barron, Nebo, Ky.

Chamberlain's Tablets

This is a medicine intended especially for stomach troubles, biliousness and constipation. It is meeting with much success and rapidly gaining in favor and popularity. Obtainable everywhere.

A CHILD HATES OIL CALOMEL, PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" if Cross, Sick, Feverish, Constipated

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on the prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Farm Demonstration Work

The Boy's corn and pig show was held in connection with the school fair on Friday, Nov. 12.

The winners of the corn club were:

Adie Ashby, Anton, best ten ears yellow dent.

Aubrey Williams, Richland, best ten ears white dent.

Aubrey Williams, Richland, best ear of corn in the show.

William Owen Stinnett, best pure bred pig.

Aubrey Williams, best pig of any breeding.

The boys' corn and pig show of this year is just the beginning. Next year we expect to fill the court house yard with pigs and the school building with corn.

The boy of today is the man of tomorrow, and when the boy can be interested in growing and breeding better live stock, seed corn and other farm products, the farm and the country as a whole will be a better place to live tomorrow than it is today.

Let the father of every boy in Hopkins county interest the boy better farming and instead of the "back to the farm movement" make it a "stay at home movement." G. S. HOLLINGSWORTH.

Rexall Dyspepsia Tablets

WHEELS AND COMMUNITIES

When a spoke in a wheel is broken that wheel is weakened and only of partial or slight value to the rest of the vehicle. The vehicle itself is of no greater value than its weakest spot, the broken wheel. Its usefulness will not be restored until the wheel is repaired and placed on a par with the other wheels. Then it is again ready to assume its proper functions in the scheme of life.

And as it is with the wheel and the wagon, so it is with the citizen and the community. The latter is only as strong as the loyalty of the former. The community will advance only in accordance with the loyalty and progressiveness of its people.

The man who forgets his home merchants and sends his money to outside sources is the broken wheel of his own community. He is the weak spot that retards the growth of all, that produces commercial stagnation, that creates local hard times and reduces the community that shelters him and the people who feed him to the level of a hand to mouth existence.

We don't want any broken wheels in this community; we don't want any useless vehicles, or commercial disintegration, or hand to mouth existence; we don't want any poverty or distress.

But we do want prosperity, and progressiveness, and happiness and contentment, and full larders and dinner pails, and we can have them if each one of us will do our duty to the town in which we live, and trade with home people, and keep our own money in our own community.

We want to "keep prosperity in this town," and we can only do it by "trading where we live."

Personally, we intend to practice what we preach in this respect, for the good of the community, for your good, and for our own good, and we would dearly love to see you trailing right along by our side, and we are quite expecting to see you doing it because we don't think we are one whit more loyal to this town than you are.

Come along, brother. When we all pull in the same harness we make a mighty strong team.

OUCH! RUB BACKACHE STIFFNESS, LUMBAGO

Rub Pain From Back With Small Trial Bottle of Old "St. Jacob's Oil"

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacob's Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub in your back and out comes the pain. It is harmless and doesn't burn the skin.

Lumber up? Don't suffer! Get a small trial bottle of old, honest "St. Jacob's Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

Large Copper Sale

The Sun says that the St. Paul Railroad has purchased 50,000-000 pounds of copper for electrification purposes. This is equivalent to nearly 20% of the annual output of the Anaconda Copper company.

Whenver You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Farmers' Institute Begins Wednesday

Under the auspices of the State Department of Agriculture of Kentucky; Extension Department of the College of Agriculture, and the United States Department of Agriculture, a farmers' institute will be held at the court house at Madisonville this week, beginning Wednesday morning and continuing until Thursday afternoon. These institutes are being held in each county in the State and farmers who are interested in better farming methods and topics of general interest to them are being greatly benefited by attending these institutes.

E. C. Martindale, of Wilkinson, Ind., D. S. Kelsey, of West Hartford, Conn., and Miss Margaret Pennick, of Chardon, Iowa, are among the speakers from other points who will discuss important subjects of general interest to the farmer. Other speakers will be present and the two days' meeting should be very interesting and instructive. Every farmer in the county who can possibly do so should attend.

Woods Full of Them

Monday was the first day quail could be legitimately killed and the weather being ideal the woods were full of hunters. A large number of hunting licenses have been issued by Casher Phillips at the Earlinton Bank. One local hunter, it is reported, bagged 11 rabbits and 15 quail the first day.

CHRISTIAN SUNDAY SCHOOL

Good Rainy-Day Crowd in Attendance Last Sunday

COMMITTEE FOR NEXT SUNDAY

Despite the steady downpour through the early morning hours a splendid rainy day crowd was in attendance at the Christian Sunday School on last Sunday. The team of workers captained by Mr. H. D. Coward threw themselves into the attendance contest with a vim and but for the very unfavorable weather conditions would have taken lead in the contest.

For next Sunday Nov., 21st, the following compose the workers committee: Mrs. S. E. Stevens, chairman, Mrs. Ernest Brown, Misses Emma Vinson, Eleanor Arnold and Margaret Shaw, Messrs Ed. Rule, Creel Wyatt, Dewey Walker, Redford Cloyd, Ernest Eastwood and Dillman Rash.

STOMACH ACTS FINE! NO INDIGESTION, GAS HEARTBURN, ACIDITY

"Pape's Diapepsin" Fixes Sick, Sour, Upset Stomachs in Five Minutes

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmless action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if any one should eat something which doesn't agree with them, if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

At Christian Church

The congregation of the Christian Church are planning a great day Dec. 5, when their new pastor, Howard J. Brazelton, will take charge of the work.

On this day the Sunday School will have their rally and homecoming, day when everybody that is a member of the Church or Sunday School are expected to be in their places.

A most excellent program has been arranged and the public is cordially invited to attend. — Russellville News Democrat.

Watch Your Children

Often children do not let parents know they are constipated. They fear something distasteful. They will like Rexall's—mild laxative that tastes like sugar. Sold only by us, 10 cents. St. Bernard Mining Co., Incorporated, Russellville, Ky.

"I BOUGHT A BUNCH OF PIGS"

"Got the biggest piece of news yet,"
piped Dave Thurman as he rode up
to the old blacksmith shop at Ash-
bottom.

"Well give it to us, Dave."

"John Hughes's goin' to run for
school trustee."

"No, you're jokin', Dave. John, he's
too busy a farmer to bother with bein'
school trustee, besides he hasn't got
any kin folks teachin' school that I
ever heard of."

"That may be so, but I got word
about it mighty straight. His wife
told mine he was goin' to run an' I
reckon that's just about as straight as
anybody could get anything. Here he
comes now on his ol' bay mare, an'
you can ask him for yourselves."

When the tall, fine-looking man had
given the blacksmith some instruc-
tions concerning the mending of a
saddle, he turned to the men and
said:

"I'll bet anything Dave has told you
is out for the office of school trustee
for Ashbottom Sub-district."

"Yes, he said you were goin' to run,
but we couldn't hardly believe it," an-
swered one of the neighbors.

"Why not?"

"Well, because mighty few men ever
wanted the trouble and bother of wor-
rin' with a young teacher an' a lot
of children. Besides there ain't a
chance in it an' plenty of hard work if
the man does his duty."

The candidate sat down on the
frame of the grindstone under the big
chimney and quietly crossed his legs. For
a time he was silent with an odd, bit-
ter smile on his face. At length he
arose and said:

"Any one of you men would fight if
anybody told you that you really didn't
love your children, wouldn't you?"

The men about him nodded their as-
sent and he hurried on.

"You do love 'em; I know you do
because I love mine, too. But boys,
there's ever so many ways of lovin'
children an' it's only lately that I've
seen a new way to love 'em. My chil-
dren have been goin' to school out at
the little school house for five years
an' I hardly ever gave 'em a thought.
I voted for any ol' galoot that wanted
to be trustee just like you have."

"What made you swap around in
your ideas?" asked one of the men.

"Feedin' hogs an' keepin' my eyes
open."

"Don't you joke with us, John, we
want to know."

"I have already told you, but I
haven't told you the whole story just
as it happened to me. You fellows
reckon I bought a big bunch of pigs
just about the time school opened.

Well they were as nice a bunch as I
ever saw, so I wanted 'em to be fed
right. My regular hand, ol' Si, was
sick, so I had to hire a new man to do
the feedin'.

While I was lookin'
around I put the hogs in that clover
field down next the school house so
they'd have grazin' enough an' plenty
of water.

"I reckon you boys think I'm takin'
a long time to tell you the story, but
I believe it'll change your ideas about
the school like it did mine. Well, the
day I put the hogs in on the clover a
nice lookin' youngster about 18 years
old come over to hire to me an' feed
the hogs. I talked with him an' he
was bright all right, but he never had
fed hogs. He had worked on a farm
an' he had a pretty good education,
an' I wanted to hire him, but you see
I was afraid to risk feedin' a lot of
corn to pigs that stood me five hun-
dred dollars in hard money."

"I don't blame you," remarked one
of the men, "but how did that make
you decide you wanted to be trustee?"

"I'm comin' to that now. After the
young man had left an' I'd finished
feedin' the pigs, I went over to the
school house as I was so close by.

When I went in the door I reckon I
was still thinkin' about the pigs an'
the young man I was afraid to hire.
At any rate I looked over the room.
My children and your children goin'
to school to a mite of a sweet little
girl of 18. I'd known her nearly all
her life an' I was certain this was the
first school she'd ever taught. I knew
she's only finished goin' to school her-
self last year.

"For a minute I felt like a fool be-
cause I knew I'd been afraid to trust
the feedin' of my hogs to a youngster
without experience an' yet here were
four of my own children goin' to
school to an 18-year-old little girl
without any experience."

"That's the reason I told you I was
learnin' to love my children a new
way, an' that's the reason I'm goin' to
take time to be trustee so I can see
that my children an' your children get
a fair square deal from now on."

BOOKER T. WASHINGTON

Noted Negro Teacher and
Leader Dead

Tuskegee, Ala., Nov. 14.—Book-
er T. Washington, foremost
teacher and leader of the negro
race, died early today at his
home near the Tuskegee Insti-
tute, of which he was founder
and president. Hardening of
the arteries following a nervous
breakdown caused death four
hours after Dr. Washington ar-
rived from New York.

Altho he had been in failing
health for several months, the
negro leader's condition became
serious only last week while he
was in the East. He then real-
ized the end was near, but was
determined to make the long
trip South. He had said often:
"I was born in the South, have
lived all my life in the South
and expect to die and be buried
in the South."

War by The Button

Thomas A. Edison is quoted as
saying: "The day of universal
peace is a long way off. There
has got to be a great deal more
war and it is going to be more
destructive every year. Pretty
soon we can be mowing men
down by the millions almost by
pressing a button." Mr. Edison,
however, does not look for elec-
tricity to play such an important
part, but says: "Its going to be
a struggle of explosives." Am-
munition is America's great need
and Mr. Edison thinks we should
have ammunition factories capa-
ble of producing daily twice as
much as whole of Europe com-
bined.

DANGER SIGNALS;

No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the danger signals of nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is a loss of flesh, when there is a constant feeling of dullness and languor, nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends. Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery.

It is the world's proved blood purifier. It's not a secret remedy for its ingredients are printed on the wrapper. Start to take it to-day and before another day has passed, the impurities of the blood will begin to leave your body through the liver, kidneys, bowels and skin, and in a few days you will know by your steadier nerves, firmer step, keener mind, brighter eyes and clearer skin that the bad blood is passing out and new, rich, pure blood is filling your arteries. The same good blood will cause pimples, acne, eczema and all skin eruptions to dry up and disappear. It's a tonic and body builder. Get it to-day in either liquid or tablet form or write Dr. Pierce, Invalids' Hotel, Buffalo, for free medical advice.

TO HAVE OWN "BEE LINE"

Sebree Men Decide to Build to Henderson Line.

Evansville, Ind., Nov. 14.—Business men and good roads boosters of Sebree, Ky., at a meeting held in Sebree to-day, decided to build a "Dixie Bee Line" of their own from the Henderson County line to Sebree, regardless of the official action taken at the convention of the Dixie Bee Line Association in Evansville a few days ago in making the route through Poles and Dixon instead of through Sebree.

Colds Do Not Leave Willingly

Because a cold is so stubborn is no reason why you should be. Instead of "wearing" it out, get sure relief by taking Dr. King's New Discovery. Dangerous bronchial and lung ailments often follow a cold which has been neglected at the beginning. As your body faithfully battles those cold germs, no better aid can be given than the use of this remedy. Its merit has been tested by old and young. Get a bottle today. 50 and \$1.00.

Every Intelligent Person Should Learn How to Write

More than a million people are employed in the publishing business in the United States, and all of them "had to begin." They are dropping out every day, and some one must take their places. There must be writers for

The Newspapers Magazines Moving Pictures

The pay is greater than in most of the professions. With a table, a chair, paper and typewriter you can begin now; and you do not need to give up your present employment. Even if you do not wish to take up journalism as a profession, there is no better mental training than learning how to write.

The man or woman who writes is automatically thrown in touch with the big people who are shaping the destiny of the state and the nation, and with the big things that are taking place in the development of the country.

The fundamentals are carefully and simply arranged in our Correspondence Course of Instruction. A Washington correspondent who has written for every class of publications during the past twenty-five years has arranged the work, and is in charge of the course. Money back if you are not satisfied.

WHY IT SUCCEEDS

Because it's for One Thing Only, and Earlington People Appreciate This

Nothing can be good for every thing. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is reliable evidence of their worth.

Mrs. Eva Hobbs, N. Seminary St. Madisonville, Ky., says: "I used everything that was recommended for kidney complaint, but the trouble remained. I tried plasters and different medicines, too, without success. Finally my attention was called to Doan's Kidney Pills. After taking a few doses, I felt their beneficial effect. I continued until all symptoms of kidney disease were removed. My health is now greatly improved." (Statement given May 20th, 1907.) Over Four Years Later, Mrs. Hobbs said: "I still use Doan's Kidney Pills occasionally and found them excellent for kidney trouble." Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hobbs had. Foster-Milburn Co., Props., Buffalo, N. Y.

WARNS NATIONAL BANKS ON USURY

Comptroller Williams Calls Attention to Oath of Each Director

Washington, Nov. 13.—Comptroller of the Currency Williams has sent a circular letter to all national banks calling attention to the oath each director signs when he assumes office not to permit the banks to violate the national bank act and pointing out particularly that part of the act which provides that a national bank may receive interest on its loans "at the rate allowed by the laws of the state, territory or district where the bank is located, and no more."

"This office," says the letter, "regrets to report that the sworn statement of condition of a great many national banks show that section 5192, United States revised statutes, against usury, has been grossly violated by these banks."

"You are respectfully advised and admonished that this provision of the national bank act should be faithfully observed by all national banks, their officers and directors, in accordance with the solemn oaths taken by directors."

"You are requested to read this letter at the next meeting of your board of directors and to have it inscribed upon the minutes and to send a copy of this letter to every member of your board who may not be present at such meeting, with the request that he promptly acknowledge receipt to you."

Start a Saloon in Your Own Home

As most compensation laws specifically provide that no compensation shall be paid to those who are injured while under the influence of intoxicants, the Ben Franklin Mutual Casualty Insurance Company, of Chicago, is circulating a bulletin containing the following clever suggestion, as first issued by the Illinois Steel Company. We can all profit by the blunt truths the bulletin sets forth:

"Start a saloon in your own home. Be the only customer (you'll have no license to pay). Go to your wife and give her two dollars to buy a gallon of whiskey, and remember there are sixty-nine drinks in a gallon. Buy your drinks from no one but your wife, and by the time that the first gallon is gone she will have eight dollars to put in to the bank and two dollars to
